Washington, D.C. 20554

Re: MM Docket No. 97-122; File Nos. BRFT-970129YC, BRFT-970129YD

Dear Mr. Caton:

Transmitted herewith, on behalf of Gerard A. Turro, are an original and two copies of each of the certifications of public notice required by Section 73.3594(g) of the Commission's Rules.

In the event there are any questions concerning this matter, please communicate with this office.

Very truly yours,

Charles R. Naftalin

Notary Public of N. J.

DOLORES S. ALKIN
NOTARY PUBLIC OF NEW JERSEY
MY COMMISSION EXPIRES NOV. 25, 1997

Public Notice
The Federal Communications Commission has
designed for hearing the applica-
tions of Gerard A. Turro for re-
newal of the licenses of FM transla-
tor W276AQ, Fort Lee, New
Jersey, and W232AL, Pomona,
New Jersey. Station W276AQ
transmits on output channel 276 and
Station W232AL transmits on out-
put channel 232. Both stations re-
broadcast the signal of FM station
WJUX, Monticello, New York,
which transmit on channel 259. The
applications of these stations for a
renewal of their licenses to operate
these stations in the public interest
were tendered for filing with the
Federal Communications Com-
mission on January 29, 1997. After
considering these applications, the
FCC has determined that it is nec-
essary to hold a hearing to decide
the following questions: whether
operation of FM translators
W276AQ and W232AL violated
Sections 74.531(c) and 74.1231(b) of
the FCC's Rules; whether Mr.
Turro engaged in an authorized
transfer of control, or otherwise
exercised and/or continues to ex-
ercise de facto control over station
WJUX in violation of Section 310(d)
of the Communications Act of 1934
and Section 73.3540(a) of the FCC's
Rules; whether Mr. Turro misre-
presented and/or lacked candor to
the FCC concerning the operation
of stations W276AQ and W232AL;
and whether the public interest will
be served by the grant of the appli-
cations for renewal of the licenses
of stations W276AQ and W232AL.
The hearing is scheduled to con-
vene in the offices of the Federal
Communications Commission in
Washington, D.C. at 10:00 a.m. on
August 26, 1997. Members of the
public who desire to give evidence
concerning the foregoing issues
should write to the Federal Com-
munications Commission, Wash-
ington, DC 20554, not later than May
29, 1997. Letters should set forth in
detail the specific facts concerning
which the writer wishes to give evi-
dence. If the FCC believes that the
evidence is legally competent, ma-
terial, and relevant to the issues, it
will contact the person in question.
May 6 (6)
